(See Type Certification Data Sheets 1H16 and H1PC for complete certification basis)

Original Product — Type Certificate Number: 1H16 and H1PC
Make: Boeing-Vertol/Kawasaki
Model: Vertol 107-II and KV107-II

Description of Type Design Change:

Installation of an interior arrangement in accordance with FAA sealed Columbia Helicopters, Inc. Drawing List CHI-31, Revision "B", or later FAA approved revisions.

Limitations and Conditions: The approval of this change in type design applies basically to the above model aircraft only. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of that aircraft. This arrangement has not been approved for overwater operation. A copy of this Certificate shall be maintained as part of the permanent records for the modified aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
